About me

I'm a nice fun and friendly person, I'm honest and punctual, I work well in a team but also on my own as I like to set myself goals which I will achieve, I have good listening and communication skills. I have a creative mind and am always up for new challenges. I am well organized and always plan ahead to make sure I manage my time well. In my spare time I enjoy programming. I deal mostly with SQL Server, ASP.NET Core and Angular. Here is my project on github: https://github.com/TaliDeep/Cables
